

CONSTRUCTION UPDATE

JULY 2021

# GRAND CHALLENGES RESEARCH BUILDING

## GCRB SITE DEMOLITION

The Meinel West lot is cleared.  
Concrete was removed and recycled.

The field team is installing **temporary sidewalks** between **McKale Center** and **Cherry Avenue**. Also, utility re-alignment is underway.

## WHAT'S NEXT IN AUGUST?

- Underground electrical conduit installation
- Underground water line relocation
- New Meinel West + GCRB generator installation
- Decommissioning of Meinel West's old generator
