APPLIED RESEARCH BUILDING

DATE: 08/08/22 - 08/19/22

PHASE: **Project Overview**

Facing North View

Facing South View

McCarthy + SmithGroup
ARB Design Build Team

APPLIED RESEARCH BUILDING

DATE: **08/08/22 - 08/19/22**

PHASE: **Parking Lot 2021 Reopening**

Grading Complete - Asphalt on the way!

Striped and ready for reopening!

Parking Lot 2021:

Re-paved, re-striped and open
for parking starting Monday
8/22/22!

APPLIED RESEARCH BUILDING

DATE: **08/08/22 - 08/19/22**

PHASE: **Level 4 Mechanical Room Work**

Level 4 Air Handler Units Mechanical Fit-out Progress

Level 4 Mechanical:

Plumbing on the west side is complete. A mobile crane was mobilized and multiple trucks of main ductwork were flown into the space. The construction team of over 40+ are hard at work installing all the new materials!

ARB Design Build Team

APPLIED RESEARCH BUILDING

DATE: 08/08/22 - 08/19/22

PHASE: Stair #3

After the guardrail is complete, illuminated glass will be installed inside the steel frames for a unique architectural/industrial finish

Stair #3 at SE Corner Guardrail

Fun Fact:

The rustications on the concrete wall (behind the stair) stop and start on a parallel slope to the rise of the stair. This was an extremely challenging coordination item for the design-build team, but the final look is unbeatable!

APPLIED RESEARCH BUILDING

DATE: 08/08/22 - 08/19/22

PHASE: Metal Panel Facade

West side exterior in progress

North side in progress

Metal Panel Facade is underway at the perimeter of the building:

The white plastic temporarily protects the metal panel system during construction.

APPLIED RESEARCH BUILDING

DATE: 08/08/22 - 08/19/22

PHASE: **What's next?!?**

- East side metal panel facade
- Exterior Glass installation
