APPLIED RESEARCH BUILDING

DATE: 10/03/22 - 10/17/22

PHASE: Elevator Cab Buildout

East and West
elevator doors have
been installed!

Elevator front for
East elevator on
level 1

Elevator fronts for West elevator on level 1 and 2

APPLIED RESEARCH BUILDING

DATE: 10/03/22 - 10/17/22

PHASE: **Bathroom Vanities**

Restroom vanity countertops
have been installed to support
the sink and hide the plumbing.

APPLIED RESEARCH BUILDING

DATE: 10/03/22 - 10/17/22

PHASE: Interior Glass Installation

With interior glass being installed, blue painters tape is applied to warn workers not to walk into it.

Interior glass installed for conference rooms on level 2

APPLIED RESEARCH BUILDING

DATE: 10/03/22 - 10/17/22

PHASE: Exterior Glass Installation

All exterior glass has been set on the North face. The glass crew is moving over to the West face next week.

Flying a panel of glass for the North face

THE UNIVERSITY
OF ARIZONA

APPLIED RESEARCH BUILDING

DATE: 10/03/22 - 10/17/22

PHASE: Thermal Vacuum Chamber Curtain Wall

The gray beams are mullions that act as the framework for glass. The TV Chamber will be enclosed by a glass curtain wall to allow those walking/biking past the building to get a glimpse of the biggest TVC on a University campus. Setting glass this week!
